Revised Accreditation Framework

Guidelines for Institutions to opt out 'Non Applicable Metrics'

NAAC is continuously considering feedback from stakeholders about Revised Accreditation Framework (RAF). While inclusion of a variety of metrics in Quality Indicator Framework (QIF) is necessary keeping in mind the broad canvas of best practices in maintaining quality, making all of them mandatory to the institutions is not a feasible approach.

NAAC, on the basis of recommendations of Core Working Group (CWG) in consultation with the statistical experts has made a provision for Institutes to opt out some of the metrics which may not be applicable to them for various reasons. Details are uploaded on **Guidelines for Institutions to opt out 'Non Applicable Metrics'**
