REPORT ON NAAC SPONSORED NATIONAL LEVEL WORKSHOP ON
“AQAR - WRITING & SUBMISSION IN THE LIGHT OF REVISED
NAAC GUIDELINES”

One day NAAC sponsored, National Level Workshop on the theme “AQAR-Writing & Submission in the light of revised NAAC guidelines” was organized by IQAC, MVP’s, Mahantswamy Arts, Science and Commerce College, Haunsbhavi-581109, Haveri, KARNATAKA, on 05th February, 2020 in which more than 100 delegates participated. The workshop was inaugurated at 10.45am by the chief guest Prof. S. S. Patil, Registrar, Kuvempu University, Shankarghatta-577 451, Shimoga and delivered a keynote address. During his speech, he mentioned about NAAC Rules and regulations and its awareness. “We fear for the rules and regularities of NAAC but fail to respect them.” The NAAC which is striving to improve educational standards is judging the quality of education on the different parameters. He also mentioned the importance of the new education policies which are to be implemented in the coming years.

Dr. M. B. Kothale and Dr. C. S. Yatnalli were the resource persons for the technical sessions. The workshop provided a platform to the delegates for discussion on AQAR writing and submission in the light of revised NAAC guidelines.

The first technical session was addressed by Dr. M. B. Kothale, Assessor NAAC and former principal KLE’s, G. I. Bagewadi College, Nippani. The resource person delivered a talk on NAAC New Guidelines-2020 and also mentioned about the changes that are incorporated in the new guidelines compared to old guidelines. Further he expressed the new NAAC guidelines are more appropriate & there are less number of key indicators compared to old manual. Further he discussed all seven criterions with each key indicator in detail covered under revised NAAC guidelines.

The second technical session was addressed by Dr. C. S. Yatnalli, Assessor NAAC, former principal, MASC College, Haunsbhavi-581109, Haveri, KARNATAKA. The resource person delivered a talk on the topic Challenges faced by Affiliated Colleges in Implementation of Best Practices for NAAC Accreditation.
The presentation highlighted that NAAC is advocating the best practices benchmarking approach for quality enhancement in higher education. Further he said about the initiative of the NAAC to promote the concept of best practices benchmarking. It also sets the stage for a discussion of the identification, sustenance, dissemination and adaptation of best practices and of their transference from one system to the other.

The last technical session was again addressed by Dr. M. B. Kothale, he said about the process of writing and submission of AQAR online and documents to be kept ready before submission of AQAR every year by the IQAC.

After every technical session around 15 minutes time was given to delegates for interaction with the resource persons to clear their doubts relating to AQAR preparation and submission.

Delegates gave feedback about the workshop at the time of valedictory function. The workshop was concluded with vote of thanks by the organizing secretary.

College education is an important milestone in one’s educational career. The National Assessment & Accreditation Council (NAAC) which is striving to improve educational standards is judging the quality of education on the pace of growth of knowledge for learning, knowledge for society, and knowledge for reality, said Kuvempu University Registrar (Administration) S S Patil.

He noted this while speaking after inaugurating the one-day national-level workshop on NAAC, organised by Mahantaswamy Degree College at Mritunjaya Vidyapeeth in the town on Wednesday.

He said, students should understand these standards of NAAC and shun the attitude of running behind marks and focus on gaining knowledge. If students pursue education to update their knowledge, they will automatically succeed in their lives.

The purpose of education should be serving the society, developing a positive personality with good thoughts, respecting the country and elders, and living with humanism, he added.

“We fear for the rules and regularities of NAAC but fail to respect it. Before letting any private or government wing to interfere in the education system of any educational institute to access its capabilities and quality of education being provided, one must understand their mistakes and ensure that they should not repeat for the next time. Along with that, priority should be given for the overall development of the education field,” he said.

Retired principals Mahaveer Kothale, CR Yatnalli delivered special lectures related to NAAC.

Presiding over the programme, Institution President N C Akki said, educational institutions are the gift of society. Hence, they should strive hard to create a healthy environment in society along with developing it.

Principal Virupakshappa Y K, IQAC convener Mallikarjun Kumbar, Santosh C, Dr Ravi Naik, and representatives of various colleges were present on the occasion.
