## **Metric-Wise Review of NAAC Autonomous College and University Manual**

NAAC believes in continuous improvement in the assessment and accreditation process to suit the dynamicity of Indian Higher Education. In order to simplify/rationalize the accreditation process by reduction of metrics Director- NAAC has constituted committees wherein the committee for University is chaired by Dr. Jagannath Patil, Adviser NAAC and the Committee for Autonomous College is chaired by Dr. Sujata Shanbhag, Adviser, NAAC. Presently, NAAC is inviting your comments/opinion (metric wise) in the prescribed format for University and autonomous manuals. While NAAC's Assessment and Accreditation process shall undergo an overhaul in light of NEP, the present exercise will focus on course-corrections of the existing framework so as to facilitate institutions volunteering to the present accreditation process.
